## osu!gaming CTF 2024

NAME	kfc-with-who?
POINTS	106
FLAG	osu(mastery_in_terrible_rage-inducing_chokes)

**DESCRIPTION:** "KFC with @Who?"

Of course you should know this meme as an average osu player - even ppy posted about it last year.

Check out where the legendary osu! KFC guy streams, and find the flag there.

**SOLUTION:** First we found PPU's Twitter account, there was a post about CFS and a link to the same user from the description. On his page there is a link to his Twitch account. There is a flag in the Twitch account description.
