MAGNET1C H1LLS

LA CTF 2024

NAME	POINTS	FLAG
valentines-day	226	lactf{known_plaintext_and_were_off_to_the_races}

SOLUTION: Based on the decrypted text passage, it was possible to obtain part of the key (106 characters out of 161). After using the brute force method, the message was decrypted based on the substring "lactf{".
